Mentoring

EDUCATION

- **National Senior Certificate • Jiyana Secondary School • 2019 – 2023 • Completed**
 - **Subjects Completed** : Sepedi HL, English FAL, Life Orientation, Mathematics, Physical Sciences, Life Sciences , Computer Application Technology
- **Bachelor Of Information Technology In Business Systems • IIE Rosebank College • 2024 – 2026 • Current**
 - **Relevant Coursework** : Business Analysis, Business Management, Project Management, System Analysis and design, IT Management, IT Professional Practice, Web Development, Databases, Programming Logic and Design, Business Information Systems, Business Decision Modelling, Work Integrated Learning

VOLUNTEERING AND LEADERSHIP

- **Class Representative • 2024 – 2025**
 - Served as the communication link between students, lecturers, and management, ensuring clear and timely information flow. Represented student concerns and helped resolve academic and administrative issues.
- **Mentor • 2024 – 2025**
 - Mentored first-year ICT students, guiding them in adapting to campus life, academic expectations, and institutional systems. Provided academic and peer support to promote student success.
- **SRC Sub-committee • 2025**
 - Participated in community outreach initiatives including tutoring primary school learners, city clean-up campaigns, and volunteering at college soup kitchens. Demonstrated teamwork, leadership, and social responsibility through active community service.
- **Student Representative Council (Head of Academics in ICT)• Current**
 - Represent ICT students across campus by communicating academic concerns and feedback to faculty and management. Support student engagement initiatives and advocate for a positive and inclusive learning environment.

CERTIFICATION

- **Python Programming course • Africa Agility Foundation • 2025**
 - The program equipped me with solid foundational skills in Python, covering data types, loops, functions, and real-world problem-solving techniques.
- **Project Management Associate Early Remote Internship • Excelerate • 2026**
 - Collaborated with a global team to plan project cycles, develop internship themes, and design structured project briefs using project management tools. Recognised as a Star Performer and awarded a scholarship.

EXPERIENCE

- **Tutor – IIE Rosebank College – Current**
 - Provide academic support to first-year students in Web Development (Introduction), covering HTML, CSS, and JavaScript. Assist students in understanding fundamental web development concepts and improving their practical coding skills.
